

LONG VALLEY VOLUNTEER FIRE COMPANY

Apr 81

- INCORPORATED 1921 -  
LONG VALLEY, NEW JERSEY 07853

Dear Friends and Neighbors,

1981 will mark the 60th Anniversary of the Long Valley Volunteer Fire Company No.1. We are planning a gala Parade for June 6, 1981 here in Long Valley and are inviting Fire Companies and First Aid Squads from the surrounding areas as well as all Community Organizations from Washington Township.

This Parade will be financed completely by funds raised by the Fire Company. Being a Municipal Volunteer Fire Company we normally do not have a Fund Drive, but at this time we are asking for your help in raising funds for our Anniversary Celebration.

Any Donation will be greatly appreciated and will be applied directly to help defray the considerable cost of putting on this type of event.

Thank you,

Parade Committee
